Defendants.)	

ORDER

On October 18, 2007, United States Magistrate Judge William A. Knox recommended that plaintiff's claims be dismissed and his motions for a temporary restraining order and for preliminary injunctive relief be denied. The parties were advised they could file written exceptions to the recommendation, pursuant to 28 U.S.C. § 636(b)(1)(C). No exceptions have been filed.

A review of the record convinces the court that the recommendation of the Magistrate Judge is correct and should be adopted.

Inmates who file an appeal with the United States Court of Appeals for the Eighth Circuit are required to pay the full \$455.00 appellate filing fee, regardless of the outcome of the appeal. Henderson v. Norris, 129 F.3d 481, 484 (8th Cir. 1997). The filing of a notice of appeal is considered a consent by the inmate to allow prison officials to deduct an initial partial appellate filing fee and later installments from the prisoner's account.

IT IS, THEREFORE, ORDERED that the Report and Recommendation of October 18, 2007, is adopted. [8] It is further

ORDERED that plaintiff's claims are dismissed, pursuant to 28 U.S.C. § 1915A, for failure to state a claim for which relief can be granted. It is further

ORDERED that plaintiff's motions for a temporary restraining order and for preliminary injunctive relief are denied. [2]
